

# St Mary's College Toowoomba

*Providing quality Catholic education for boys since 1899*

## iPad Tips & Tricks – Picture Frame

You can turn your iPad into a photo frame when you are not using it.

Press the ***Sleep/Wake*** button and then press the button again. Next to slide to unlock is the **Picture Frame** button.

Press this and the iPad scrolls through all your photos. You can also select particular albums from the **Picture Frame** option in **Settings**. Tap Albums and select the albums you want displayed.
